Welcome to our island celebration of Oktoberfest, where Bavarian traditions meet the laid-back rhythm of the Maldives. Over five lively days, the spirit of togetherness takes centre stage through good food, playful challenges, music and memorable moments by the sea.

From themed BBQs and festive flavours to beach games, friendly competitions and sunset gatherings, each day brings something new to enjoy. Raise a glass, share a laugh and embrace the fun as the island comes alive with energy, connection and a touch of Oktoberfest tradition.

As the celebrations continue into the evening, expect vibrant music, relaxed cocktails and a lively finale that brings everyone together under the stars. It is a celebration shaped by simple pleasures, shared experiences and the joy of being present in paradise.

This is Oktoberfest, the Sun Siyam Olhuveli way — relaxed, spirited and full of island charm. We invite you to join us, celebrate together and create unforgettable memories in the heart of the Maldives.
